To whom it may concern;

Re: Michael Sanchez

The District Presbytery of the South Dakota Assemblies of God, has appointed Rev. Michael Sanchez as the District Director of Hispanic Ministries.

Michael and his wife, Sonia, have been actively leading ministry to Hispanic/Latin people in South Dakota since 2012. Their ministry has included services through several Assemblies of God and other denominational churches in Clark, Watertown, Milbank, Sisseton, Brookings, Bryant, and several other locations across the region.

The Sanchez' are dynamic and respected in South Dakota, having the trust and cooperation of ministers and churches throughout the region. Michael is an Ordained minister with the South Dakota Assemblies of God.

The Sanchez's goal is for Hispanic/Latin people to come into a relationship with Jesus Christ, and to become born again. They do everything they can to help the many churches in the region to receive and minister to Hispanics. They encourage people to attend the nearest church that will help them follow in God's way. They feel it is vitally important for everyone to hear the truth about salvation through Jesus Christ.

We highly recommend Michael and Sonia's ministry to anyone interested in reaching Spanish-speaking people with the Gospel of Jesus Christ.

And his service,
