To whom it may concern;

Re: Michael Sanchez

The District Presbytery of the South Dakota Assemblies of God express their deep appreciation for Michael's ministry and give their endorsement for the continuation and expansion of ministry to Hispanics.

Michael and Sonia Sanchez have been actively leading ministry to Hispanic-Latin people in South Dakota since 2012. Their ministry has included services for Spanish speaking people through several of our Assembly of God churches in Clark, Watertown, Milbank, Sisseton, and Brookings. The Sanchez' are dynamic and respected ministers in South Dakota having the trust and cooperation of ministers and churches throughout the region. Michael is a credentialed minister with the South Dakota Assemblies of God.

The Sanchez's goal is for Hispanic-Latin people to surrender their lives to Jesus Christ and to become born again. They do everything they can to help the many churches in the region receive and minister to Hispanics. They encourage people to attend the nearest church that will help them follow in God's way. They feel it is vitally important for everyone to hear the truth about salvation through Jesus Christ.

We highly recommend Michael and Sonia's ministry to anyone interested in reaching Spanish speaking people with the Gospel of Jesus Christ.

In His service,

Rev. Stephen Schaible
District Superintendent
